MEMORANDUM FOR: Executive Officer, DDS&T

FROM:

Director, Foreign Broadcast Information Service

STAT

SUBJECT: OGC Senior Management Seminar

Bill:

1. Regarding your request of 1 June, we are quite pleased with the service provided to FBIS by OGC. The OGC attorneys have been cooperative and very helpful. Ordinarily the only problem is a common one: it takes time to get a decision, particularly with regard to questions that are unique to FBIS. The situation seems to be that OGC attorneys are overloaded with work.

2. We ask a great many questions on propriety matters, and I am pleased that we are usually able to get prompt replies on matters that affect our immediate operations.

3. We are also getting close attention to some of our continuing problems: [redacted] for example, is tracking our [redacted] law-suit problem in [redacted] and [redacted] is helping on legal aspects of COMNET. These are examples of time-consuming and detailed attention to long-term problems affecting FBIS.
